There was twice as much talk on the new tariff bill, as on the Dingley Bill as shown by the Congressional Record. But that is only a patching to the talk that there will be about the bill after passage.—Carthage Democrat.

And once more Spain gets in the public eye. Not having a press agent they find it necessary to take other means of being once more put on the map. War may be a cruel and expensive means of doing it, but it works just the same.—Carthage Democrat.
